Dear Mr. Carlesco:

This is our eighteenth interim response to your Freedom of Information Act (FOIA) requests EPA-HQ-2017-001499, EPA-HQ-2016-009994, EPA-HQ-2016-010064, and EPA-HQ-2016-010231, for information on Protective Action Guides (PAGs), as described in your requests.

Enclosed are 2,931 pages which are responsive to your request. Some documents are being withheld in part. An explanation of each FOIA exemption under which information is being withheld will be provided to you at the conclusion of EPA's document productions for these FOIA requests.

The EPA continues to work diligently on completing your FOIA requests and will continue providing monthly rolling releases. Per Court Order in the above-captioned case, we will review at least 1,000 more potentially-responsive documents and release the non-exempt portions to you by October 10, 2018.

If you would like to modify or narrow your request so that it may be processed sooner, please contact me at purifoy.tiffany@epa.gov or 919-541-0878.

Sincerely,
